OF INTEREST TO ALL VOTERS OF NYE COUNTY

PLATFORM ADOPTED BY REPUBLICANS SHOULD BE READ BY ALL VOTERS

The platform of the republican candidates of Nye county as drafted several weeks ago, should be carefully read by all voters of this county. It contains for the first time, especially that part pledging the legislative candidates to labor for certain measures. For the benefit of those who have not read the platform it is reproduced here in full:

The republican candidates of Nye county assembled in convention, pursuant to the provisions of the primary law, offer no program that is not bulwarked with performances; makes no promises but what are for the interest of the tax payers and property owners of this county.

The past four years of republican rule in this nation has been such that we again give our hearty endorsement to the platform and candidates presented by the national republican convention. Never has the country been confronted with such problems and situations as have arisen during the last four years, and never have such problems been handled with such skill and courage. President Taft has demonstrated his fitness for the office he now holds, and for which he is a candidate for re-election, and though assailed by agitators and decried by theorists, the condition of the United States today is a tribute to his performance of every duty demanded.

The state republican platform and candidates likewise receive our unanimous endorsement.

Retrenchment in State Offices.

We pledge our legislative candidates to the enactment of a measure reducing the expense of the state government to conform with the revenues of the state and prevent the further issuance of bonds to meet the deficit in the general fund.

The State Bank Receivership

We pledge our legislative candidates to secure an investigation into the affairs of the long defunct State Bank and Trust company. There are hundreds of people in Nye county who lost their savings in this institution and who are not able to secure a proper report showing the

Republican, national, state, county and township officers who are deserving of the support of the Nye county voters.

quests have met with silence on the assets of the bank. Repeated report of the receiver in charge and we pledge our legislative candidates to work for the passage of a resolution through both houses of the legislature, securing the appointment of a committee to conduct a public investigation of the affairs of the bank.

Good Roads

We pledge our county and legislative candidates to adopt every means whereby the roads of this county will be repaired and new thoroughfares constructed. We recognize that good roads mean that hundreds of tourists will pass through our county, and within the next few years thousands of motor driven machines will cross the continent. It is within the power of southern Nevada to provide a feasible route for the travelers, and we pledge all our candidates to secure the enactment of a proper measure that will insure the construction of a

transcontinental route through Nye county.

Primary Election Law

We pledge our legislative candidates to the enactment of sweeping amendments to the present primary law, which in its self is nothing short of farcical. We favor such amendments that will prohibit voters from flocking from one standard to another without a declaration of their political faith. We believe in the sanctity of the ballot and urge that secrecy be continued, but are opposed to the present construction of the primary law that allows fraud being perpetrated.

Free Text Books

We pledge our legislative candidates to labor for the passage of a measure providing for the furnishing of free text books by the state to the pupils attending our public schools.

DEMOCRATS AT BUTLER SPEAK TO CROWDED HOUSE

LARGE CROWD TURNS OUT TO HEAR ADDRESS FORMER MISSOURI CONGRESSMAN

A crowded house listened to the democratic speakers who appeared at the Butler theater Saturday night. In addition to the speaking the regular moving picture performance was held and at the conclusion of the reels R. P. Dunlap took the stage and introduced the speaker of the evening, Hon. John H. Atwood, former congressman from Missouri. Mr. Dunlap prefaced the introductory address with remarks touching upon the political issues and dwelling at some length upon questions of importance.

Mr. Atwood confined himself to speaking on behalf of Woodrow Wilson and he urged his hearers to support the democratic presidential nominee at the November polls. The tariff was discussed as was the high cost of living and other political questions.

Col. Roosevelt Received \$1 A Word For His African Hunting Stories

That was a high rate to pay even a very distinguished author. But—to a limited extent—you may earn a higher rate of compensation than that for your own writing.

If, for example, you write a 10-word "situation wanted" ad for the Bonanza, and it finds you a position paying \$500 a year more than you've been earning—how much "per word" have you earned an "author?"

Or, suppose that a 10-word "help wanted" ad would secure an employe for you, whose services would be worth twice as much as you'll pay in salary or wages, wouldn't "writing" of that sort stamp you as a high-priced author?

In writing ads that will sell your real estate to the right buyers—or any property which you want to sell to the people to whom it will be worth most—you may earn, with your pen, a far higher rate than \$1 per word.

---how much Is A "Regular Customer" Worth to Your Store?

Suppose you could BUY 100 additional REGULAR CUSTOMERS during the next week or two—customers who, for years and years to come, would make a MAJORITY of their purchases of goods in your line at YOUR STORE?

What would each of these 100 customers be WORTH to you?

It is, we think, quite likely that if such an investment were possible, you'd eagerly pay TWICE AS MUCH as it would cost you to secure these 100 REGULAR CUSTOMERS through an advertising campaign big enough and aggressive enough to really make people ACQUAINTED with your store!
